**They say no student is beyond reach - he's out to prove them wrong.**

Janice Rosenthal is entering her eighth year of teaching, but it might be her last. Never before has she had a student as unruly and insubordinate as this one. Andrew Bryant is the terror of seventh grade, a student known for driving teachers to the edge of retirement, and he is in her class.

How can Janice--and the rest of her students--make it through the school year with such a disruptive force in the classroom? Her only hope is to try to break through the orphan's defenses, to pierce a wall that no other teacher has ever scratched.

When she discovers Andrew's secret, two lives will be changed forever.
