He's going to be the love of her life...if they survive the night.

Karmic Consultants, Book 5

With a single touch, Ronna Mitchell can catch stolen glimpses of the future and separate truth from lies. But life as a human polygraph machine can be lonely. Craving human contact, she moonlights as a palm reader whenever a carnival comes to town.

Officer Matt Holloway is intent on trailing a hit man when he ducks into a palm reader's booth to avoid being spotted by his quarry. The beguiling Jamaican fortune teller is definitely intriguing, but she'll have to wait. He's close on the assassin's tail.

When Ronna takes his hand, a startling vision of the future flashes in her mind's eye. Matt isn't a typical client, he's The One. Before she has the chance to introduce herself as the mother of his unborn children, he's gone, leaving her with a terrifying vision of her soul mate covered in blood. And dead certain she's the only one who can save her happily ever after.

Warning: This book contains carnies, cops, chases, chance encounters and love at first touch.
