Reflecting Cengage Learning's commitment to offering flexible teaching solutions and value for students and instructors, this new hybrid version features the instructional presentation found in the printed text while delivering all the end-of chapter exercises online in OWLv2, the leading online learning system for chemistry. The result--a briefer printed text that engages students online! Help your students improve their grades and understanding of concepts with this value-packed Hybrid Edition. An access code to OWLv2 with MindTap Reader, is included with the text, providing students with powerful online resources that include tutorials, simulations, randomized homework questions, videos, a complete interactive electronic version of the textbook, and more! Your students will be engage in the active study of chemistry with CHEMISTRY: THE MOLECULAR SCIENCE, Fourth Edition. Authors Moore, Stanitski, and Jurs infuse their text with timely applications that reveal chemistry as a lively and relevant subject that is fundamental to a broad range of disciplines such as engineering, biology, and environmental science. The Fourth Edition features an enhanced problem-solving methodology, a complete revision of its award-winning art program to even better help students visualize chemical processes at a molecular level, integrated coverage of organic and biochemistry content, and full media integration with OWL Online Web Learning and Go Chemistry. New content, more visualization problems, updated applications in a wide range of disciplines, and unique new end-of-chapter "grid" questions based on award-winning chemistry education research have been added throughout the text. In addition, many of the book's end-of-chapter questions are accompanied by interactive, assignable, online lessons in OWL--the #1 online learning system for chemistry.

Why, because this book is usually more than just a book.

Na Urquhart:

Do you like reading a reserve? Confuse to looking for your chosen book? Or your book has been rare? Why so many question for the book? But virtually any people feel that they enjoy to get reading. Some people likes reading through, not only science book but also novel and Chemistry: The Molecular Science, Hybrid Edition (with OWLv2 24-Months Printed Access Card) or others sources were given expertise for you. After you know how the truly amazing a book, you feel desire to read more and more. Science e-book was created for teacher or even students especially. Those books are helping them to put their knowledge. In some other case, beside science book, any other book likes Chemistry: The Molecular Science, Hybrid Edition (with OWLv2 24-Months Printed Access Card) to make your spare time more colorful. Many types of book like here.

Charles Krueger:

Reading a reserve make you to get more knowledge from the jawhorse. You can take knowledge and information coming from a book.
