**Flight of the Intruder (Jake Grafton Novels)** Stephen Coonts

The Classic Novel of Naval Aviation

*This is one of the best novels ever written about the Vietnam experience. It's all here-the flying, the dying, the blood and bombs and bullets, and the sheer joy-and terror-of life at full throttle.*

**"GRIPPING...SMASHING."?The Wall Street Journal**

Grazing the Vietnam treetops at night at just under the speed of sound, A-6 Intruder pilot Jake "Cool Hand" Grafton knows exactly how precarious life is. Landing on a heaving aircraft carrier, dodging missiles locked on his fighter, flying through clouds of flak-he knows each flight could be his last. Yet he straps himself into a cockpit every day.

**"EXTRAORDINARY!"-Tom Clancy**

Then a bullet kills his bombardier while they're hitting another 'suspected' truck depot. Jake wonders what his friend died for-and why? Hitting pointless targets selected by men piloting desks just doesn't make sense. Maybe it's time to do something worthwhile. Something that will make a difference...

**"SUPERBLY WRITTEN."?Washington Times**

Jake and his new bombardier, ice-cold Tiger Cole, are going to pick their own target and hit the enemy where it hurts. But to get there and back in one piece is going to take a lot of nerve, even more skill, and an incredible amount of raw courage. Before it's over, they're going to fly into hell.
