"An ambitious saga that intertwines narration from various generations and creates a wide-ranging picture of Indonesia." — *Publishers Weekly*

"An epic saga of families and friends entangled in the cruel snare of history" (*Time Magazine*) *Home* examines the tragedy of political exiles during Suharto's regime (1965-1998) forced out of Indonesia after the 1965 massacre of presumed leftists and sympathizers, alternating between Paris and Jakarta, delving into the lives of the exiles, their families and friends. A story of longing, lust, and betrayal, but also love, laughter, adventure, and mouthwatering descriptions of Indonesian food, *Home* further illuminates Indonesia's tragic twentieth-century history made known in the West by the Oscar-nominated documentary *The Act of Killing*.

Leila S. Chudori is Indonesia's most prominent female journalist. *Home* is her debut novel and won Indonesia's most important literary prize in 2013.

From reader reviews:

Margaret Williams:

Book is definitely written, printed, or descriptive for everything. You can realize everything you want by a e-book. Book has a different type. As we know that book is important issue to bring us around the world. Beside that you can your reading skill was fluently. A publication Home will make you to become smarter. You can feel more confidence if you can know about every little thing. But some of you think this open or reading some sort of book make you bored. It is far from make you fun. Why they can be thought like that? Have you looking for best book or suited book with you?

Ella Butler:

What do you regarding book? It is not important to you? Or just adding material if you want something to explain what the ones you have problem? How about your time? Or are you busy particular person? If you don't have spare time to do others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Everybody has many questions above. The doctor has to answer that question simply because just their can do that will. It said that about reserve. Book is familiar in each person. Yes, it is correct. Because start from on pre-school until university need that Home to read.

Jennifer Vickery:

Here thing why this particular Home are different and reputable to be yours. First of all looking at a book is good however it depends in the content of the usb ports which is the content is as scrumptious as food or not. Home giving you information deeper and different ways, you can find any book out there but there is no book that similar with Home. It gives you thrill examining journey, its open up your current eyes about the thing that will happened in the world which is possibly can be happened around you. It is easy to bring everywhere like in park, café, or even in your method home by train. Should you be having difficulties in bringing the published book maybe the form of Home in e-book can be your alternative.

Mary James:

Beside this specific Home in your phone, it might give you a way to get more close to the new knowledge or details. The information and the knowledge you might got here is fresh from your oven so don't become worry if you feel like an older people live in narrow community. It is good thing to have Home because this book offers to you readable information. Do you oftentimes have book but you would not get what it's about. Oh come on, that won't happen if you have this with your hand. The Enjoyable option here cannot be questionable, such as treasuring beautiful island. So do you still want to miss the idea? Find this book as well as read it from at this point!
