If God Is Good: Faith in the Midst of Suffering and Evil Randy Alcorn

Suffering is, in the end, God's invitation to trust him.

“As he did in his best-selling book, *Heaven*, Randy Alcorn delves deep into a profound subject, and through compelling stories, provocative questions and answers, and keen biblical understanding, he brings assurance and hope to all.” —*Publishers Weekly*

Every one of us will experience suffering. You may be in such a time now. We see the presence of evil in the headlines every day.

It all raises questions about God—Why would an all-good and all-powerful God create a world full of evil and suffering? How can there be a God if suffering and evil exist?

Atheists such as Richard Dawkins and even former believers like Bart Ehrman answer the question simply: The existence of suffering and evil proves there is no God.

But in this illuminating book, best-selling author Randy Alcorn challenges the logic of disbelief, and brings a fresh, hopeful, and thoroughly biblical insight to the issues these important questions raise.

Alcorn offers insights from his conversations with men and women whose lives have been torn apart by suffering, and yet whose faith in God burns brighter than ever. He reveals the big picture of who God is and what God is doing in the world—now and forever. And he shows the beauty of God's sovereignty—how it ultimately triumphs over suffering and evil in our lives and the world around us.
