Seventy percent of American teens have had sex by age eighteen. Richard and Renée Durfield—the parents of four grown children—encourage parents to help their teens resist sexual temptation using the practical "key talk" concept and a covenant with God to remain chaste. Includes how to have a "key talk," questions a child may ask, guidelines and goals for dating, praying for a child's future spouse, and more. Originally titled *Raising Them Chaste*, this edition includes new information gained from the Durfield's ministry to families.
