This is my poetry and photography book. Each poem is a stone from the river of life that Hashem has directed me to be a remembrance of the wonderful and great things He has done for me. I don't consider myself to know more than others, or to be more enlightened, I am still a vessel in His great hands, learning and practicing what He directs me into. I pray that somewhere in these covers there is a blessing for you the reader and in that blessing you will give all honor and glory to our L-rd and Savior Yeshua.
