In the Spring of 2011, President Barack Obama, in a scathing press release statement addressed to the Congress of the United States, reputedly issued this sharp rejoinder to their political maneuvering: "They Think They Fooled Us!" "They Think They Fooled Us!" is a refreshingly humorous view of the contemporary political scene. Contained in this volume are a collection of amusing and uproarious responses from singers, artists, philosophers, statesmen, cartoon characters, comedians, and others—even politicians—as the opinion given to Barack Obama's hyperbolic paeon, "They Think They Fooled Us!" Decidedly stark and attitudinal, "They Think They Fooled Us!" sums up the mood of a generation, and is the author's attempt to expose the follies of the political establishment which rules over the chaotic democracy in a provocative, yet mordantly satirical manner.
