All Due Respect Vicki Hinze

Enter the top secret world of military intelligence, where the acclaimed author of *Acts Of Honor*, *Duplicity*, and *Shades of Gray* delivers a shattering new novel of danger, desire, and deadly intrigue...

Dr. Julia Warner-Hyde must do the unthinkable: return to a life she thought she left forever--the covert world of Air Force missile technology. Not long ago, she fled in terror, stalked by an abusive husband, beginning a new life as a teacher in the Florida panhandle. But her safe, quiet life is shattered the day her former partner, Dr. Seth Holt, appears, asking for help.

The Rogue missile system Julia and Seth designed has fallen into terrorist hands. Julia has no choice but to join Seth in a critical race to prevent the ultimate nightmare. And in doing so, she must revisit her own private hell--one that won't let her go until she faces it head-on. Now, Julia and Seth, fellow warriors who've seen the worst life has to offer, must breach the highest security risk of all: trust...and love.
