Quoted more than 120 times in the entire Bible, and used to form our view of angels and demons, this book connects the dots of doctrine and prophecy in the scriptures. Details are revealed about the "Sons of God (Angels) that left their positions in heaven to marry human women", having children that became giants and monsters called Nephilim who introduced violence, sorcery, and evil spirits into the world. This book, along with the Book of Jubilees, is considered sacred to the Christian church in Ethiopia and is placed in their Bible along side the Old Testament books. This collection is the result of more than a year of research and teaching on End Times Prophecy from an Old Testament Perspective.
