## Characteristics Of Compassion: Portraits Of Exemplary Physicians Helen Meldrum

The healthcare system has turned the art and science of healing into big business, and many doctors can no longer devote the greater part of their working hours directly to patient care, faced as they are with reams of insurance- and legal-related paperwork, the constant threat of malpractice, and a burgeoning patient population. Despite this, some physicians still enter the profession with deeply held convictions, hopes, and idealism, and go on to excel not just as medical doctors, but as human beings. Characteristics of Compassion: Portraits of Exemplary Physicians is book that profiles the recipients American Medical Association Foundation Pride in the Professions Award. It gives insight into what sets these outstanding doctors apart from their peers to inspire medical professionals and their patients. It provides first hand insights and identifies a rich description of traits/motivations shared by today's leading physicians.
