When attractive young women start disappearing from the luxury cruise ships of Camelot Cruise Line at an alarming rate, Viktor Viken, Camelot's billionaire owner, coerces company lawyer Raam Commoner into doing whatever it takes to stop the seagoing serial killer without a story on the six o'clock news. After a chance but near fatal shipboard encounter, Raam — the tall, good-looking but burned-out womanizer who has been cleaning up after Viktor Viken for years — and Kayman Karl, the smart, beautiful and independent private investigator who has been hired by a distraught father to investigate the cruise line disappearance of his daughter — are compelled to join forces in the search for the motive behind the murders. Opposites attract, but all thoughts of romance are put on hold once it becomes obvious that Kayman fits the profile of previous victims and they must race to find and stop a twisted murderer before he strikes again.
