Lincoln Hart just lost his family in a vicious Soul attack. The only surviving member, his sister, Kaylie, barely made it out alive. After faking his own death, Lincoln vows to do whatever it takes to keep Kaylie safe, all the while seeking revenge for his family's murder.

He hits the road to track down the one person that might know the truth about what happened- a mysterious woman named Violet. Instead, he finds a young Moon Hunter named Silver. She's tough, cold, and beautiful, and it isn't long before Lincoln learns that she is holding secrets of her own.

The more he learns about Silver, the more Lincoln questions the life he has always known. Is it possible that not all monsters are evil?

Dark Hart is a 12,000 word story from the Soul Hunter world and it is the first installment in the Dark Hart series.
