The Rise and Fall Of The Ottoman Empire

Alan Roth

The Rise and Fall Of The Ottoman Empire Alan Roth

Uncle Sam called himself the Ottoman King. He owned thirty-one stores that specialized in a single product line: ottomans.

When he donated a warehouse full of used ottomans to my school's charity drive, my third grade teacher prodded me to ask him for a donation of another kind. The Ethiopians, it seemed, were starving to death and their need for ottomans could be put on hold pending fulfillment of other necessities. But the Ottoman King insisted, and explained himself thus: "Tomorrow, when they're fat and comfy from all the food donations, where they gonna rest those chubby feet? They'll come to us, and buy brand new Ottomans." Then he winked at me. "Your first business lesson," he said.

But even the Ottoman King could not have foreseen what would happen next.
