A twenty-eight week Bible Study

SIGNPOSTS TO CHRIST FROM THE O.T.

These studies, written in easy diction and copiously illustrated, have been developed from teaching first given to Papua New Guinean evangelists in a trade language. They were later translated into English for Christian leaders of the next generation. They are thus ideal material for those whose English is their second language, and in fact for anyone at all who wants to come to grips with a Biblical theology set out clearly, simply and precisely.

The author has been a missionary and High School teacher with a Masters Degree in ministry from Moody Theological Seminary, Chicago USA. He lives with his wife Barbara in Auckland, New Zealand. They have five children and fifteen grandchildren. Their third daughter Deborah Witheford did most of the sketches in this book.
