**The Werewolf Next Door (Beastly Boyfriend Book 1)** Ella Cari

Little does one young woman know that her gorgeous hunk of a neighbor hides a moonlit mystery...

Jade knew that her neighbor, Eli Hunter, was sexy and tall. She'd seen his tan muscles rippling in the afternoon sun and she'd seen his golden eyes flash in her direction.

What she didn't know, however, was the secret of the full moon that Eli so desperately kept hidden.

After she accidentally stumbles right on top of that surreptitious secret, Jade abruptly finds herself the keeper of his mystery and the keeper of his howling heart.

Not everyone in Eli's pack is so happy with this change, however, and the pair will have unforetold opponents to their love.
