## **Under The Lake: A Mythos Story (The Marquette Institute/DPA Mythos)** Josh Hilden

The Marquette Institute and the Department of Preternatural Activities (DPA) have been America's primary defense against the things that go bump in the night for more than a century and a half. It has been said that without the activities of this group and similar organizations the human race would've fallen under the heel of dark forces long ago. It's the first day at the Institute of Alan Quinn former United States Marine and hero of the Valley of the Black Gate. He is greeted by the enigmatic Professor Quentin Sawyer who tells him the dark take of Institutes founding and the danger they live side by side with every day.
