## Further Adventures of the \$700 Pony (\$700 Pony Chronicles Book 2)

The Chronicles of the \$700 Pony introduced humor writer Ellen Broadhurst and her \$700 Companion to an audience that promptly fell in love with both and clamored for more. The Further Adventures of the \$700 Pony follows Ellen and her ignoble steed as they travel the road to Equine Enlightenment, seeking the elusive Zen of Riding. Joined by the Demon Spawn, a Wee Spotted Driving Pony, Nearly-Headless Yummie and assorted farm characters, the road is hilariously rocky.

Follow Ellen and her earnest equines as they traverse the Winter Jumper Show, negotiate Farm Renovation and navigate the Suburban Halloween Parade, all in the name of seeking peace and tranquility.

Just like the first book, the Further Adventures of the \$700 Pony is a rollicking good read and will leave you wishing for more.
