Money plays a vital role in all our lives - whether we have much or little; whether we love it or view it biblically. Neil Hood delves into this key subject, looking at people's current view on money, their understanding of it in terms of ownership and attitudes towards materialism. He combines biblical teaching and practical case studies to explore the subject of money and who actually owns it! Subjects covered are stewardship, fighting against the modern materialist, prosperity and worship. Reminding us that that money isn't everything, that, ultimately, it doesn't matter but to look to what does - Jesus.
