The sixth book in Harrison's *New York Times* best-selling urban fantasy series starring Rachel Morgan. A pacey and addictive novel of sexy bounty-hunting witches, cunning demons, and menacing vampires.

Having barely escaped being skewered by the criminal vampire overlord of Cincinnati, Rachel now has even bigger problems to contend with. The demon, Algaliarept, although banished back into the ever after has infected others of his kind with his interest in a witch who can channel demon magic. Rachel soon finds herself with not one but three hellions on her tail - and one of them is even crazier and more dangerous than all the fairy assassins, weres, and vampires on the planet.< /p>
