When the Paradise Falls bridge fell, Jennifer Katzenberg lost her husband and her happiness. The only thing she has left is her job as a high school teacher, but even that isn't safe. Eliot, her abusive brother-in-law, stalks her every waking moment waiting to pounce.

But then she meets *him*. Jacob, the new math teacher. He's quick witted, sensitive, and smart. But he's also built like an MMA fighter, drives a car worth ten times his salary, and is covered in scars. Something doesn't add up.

Jacob Kane skipped town when the bridge collapse claimed his family too. Everyone said it was an accident, but he isn't so sure.

Now he's back in Paradise Falls. Not to teach math, but to get revenge. Everything was going according to plan. At least until he saw her. Jennifer.

Jacob never thought he would see Jennifer again, but he discovers someone trying kidnap her--Elliot. One of the men he came here to kill. Falling in love was never part of the plan, but there's a new plan now: Fix it. Save her.

*Scar Tissue is the first part of a serial romance comprising five volumes: **Scar Tissue**, **Open Wounds**, **Turning Point**, **Spy Games**, and **Shock Waves**, now available.*
