**Stepbrother's Arrogance (Forbidden Romance)** Emily Whittaker  
I've never met anyone as arrogant as Jay.

He's rich, first of all. He thinks that my mom only married his dad for the money.

He's fully aware that he's drop-dead handsome. He could seduce you with a grin.

Lucky for me, we only have to spend the summer together. Then I leave for college and he'll finally be out of my life *forever*.

**Warning: Explicit and taboo. Opposites attract. Hate and love aren't so far apart.**

*"This novella was fantastic. There was just enough build up to let the release be totally worth it. The only downside is now I have to wait for another one!"* - Cassie Andrews

*"Bad Boy just loves teasing his stepsister and getting her all hot and bothered. I adore such vivid and taboo stories."* - Katerin
