The Escort Next Door

Julia has the seemingly perfect family; a successful husband and three wonderful kids. From the outside all seems well, but behind closed doors things are anything but ordinary. Julia's marriage has become distant and she finds stunning evidence about her husband's actions on his business trips. Julia wants to escape and decides to make a decision that will change her life forever.

Sample Of What's Inside!

I don't recall how I went from sitting at the table to laying on the bed. I do know that my head was swimming and it wasn't just thanks to my old friend the fermented potato.

David's mouth was still moving leisurely over mine, occasionally sucking my lower lip between his teeth. He was lying next to me on his side, pressing the length of his body to mine, while one arm draped across me and the hand gently caressed my hip.

By that stage, I was beginning to return his kiss with an enthusiasm I didn't have to fake. One of my hands had unconsciously smoothed up his chest and curled over his shoulder, while the other snaked around the back of his head and was pulling him that little bit closer. As I tightened my fingers, gripping a handful of his smooth, thick hair, a guttural groan reverberated from his open mouth to mine.

Fluidly, he eased his hand over the curve of my pelvis and began to confidently stroke his way down my thigh. When he reached my knee, he hooked his fingers behind my leg and pulled it upward. As his tongue slipped carefully over the roof of my mouth, he tugged my leg around his waist and placed the weight of his upper body on top of mine.
