The List puts single men everywhere on notice: Get it together in 30 days or you're out. The concept is delightfully simple - when a man meets "the one", he will take 7 swift actions to secure her love forever: He'll make the first move He'll contact her in 24 to 48 hours to set up a first date He'll make the first date easy and fun He'll contact her within 24 hours of the first date to set up another date He'll talk to her every day and spend all his free time with her He'll demonstrate unconditional loyalty He'll talk about marrying her in concrete terms and he proposes - or lets her know that he's going to propose With The List, women can get the relationship they've always dreamed of - without playing hard to get, putting on an act, or - most important - wasting any more time.
