Here's how to make BIG profits from government tax lien certificates and earn up to 36% interest. In this book, Ted Thomas shows you how to get started investing in tax lien certificates and tax deeds. It's currently one of the safest investment opportunities available... and the best part is that you can get started for as little as \$100.

This book is full of the information you need to get started today. Ted has included everything from as basic as "what is a tax lien certificate," to step by step actions on how to find tax auctions near you. Also included are the most commonly asked question Ted gets from beginning tax lien certificate investors and 5 case studies of how some of his students applied his techniques and profited.

If you're looking to earn a side income, save for retirement, or just start building your "nest egg" then this is the book for you.
