James Trevalyan came from a long line of men who served the British Crown with their gift of a voice with compelling power, and kept that tradition going while he loved and lived with Jeremy Waters. When Jeremy died in his arms, James resolved to live without love. His family keeps him connected to life -- Jamie, his son from his brief marriage to an American, and Pamela, his beloved little sister, caught in a loveless marriage to a cold, cruel man.

Then Tanner comes into his life, a clever and handsome agent who joins him in an ongoing undercover mission. How long will it take James to realize he and Tanner are meant for each other? And can Tanner survive the assignment that's thrown him in with mobsters who want him dead simply because he knows too much?
