The Bible describes God in many different ways: God is light; God is joy; God is wisdom. God is the beauty that fills the earth and the rock we stand on, the promises we live by and the fire that purifies us. This volume offers a collection of these images, presented in simple language that young readers can easily understand. This book's bright artwork and lyrical text, written by the bestselling author of *Psalms for Young Children*, explores how, even though we cannot see or touch God, we can still discover him in our world.
