From queen cat lady Yasmine Surovec comes a cuddly new chapter book series about a cat in need of a pet human.

Oliver is an independent kitty. He has his run of the neighborhood and looks at his animal friends with their fussing humans with pity. But when a freckle-faced girl moves into town, Oliver sees the opportunity to train a human to provide him with a few creature comforts. And if he can help her adjust to her life and make a new friend, that's just all in a day's work. The real surprise comes, however, when Oliver needs Freckles just as much as she needs him. Not a comic book and not a traditional illustrated chapter book, *My Pet Human* is truly a hybrid of text and art that could only come from the whimsical and brilliant mind of Yasmine Surovec.
