Neal Adams, explodes back onto the comic scene with a new hardcover graphic novel, Neal Adams Monsters, featuring the most terrifying supernatural creatures in classic-horror history: The Frankenstein Monster, Count Dracula and the Werewolf. Neal Adams Monsters was rendered oversized to take the penciling and inking chores to the max. The end result is a masterwork which features the dramatic linework and exquisite fine rendering Neal Adams has been canonized for. Thrill to a level of unprecedented detail as a comics grandmaster reveals the story of these infamous horror legends as only he can see them: a horror epic guaranteed to thrill. Collected into an English-language graphic novel for the first time, this material was originally serialized in Adam's groundbreaking anthology Echo of Future Past.
