They came from different backgrounds, but when Helen Golay and Olga Rutterschmidt met in the 1980s, they became fast friends. For decades, they made a game of engaging in petty crime—bad deals, insurance fraud, robbing wallets. But after years of dabbling in theft, they came up with a way of making their pocketbooks even fatter. They found a way to make murder pay...

It was a plan out of *Arsenic and Old Lace*: Befriend a homeless man, place life insurance policies in his name—and then have him killed. Their scheme worked once...but then police started to notice a pattern. Helen and Olga were discovered, and in front of a court of law, their coldhearted pact to kill and cash in would finally be exposed.
