TREASURE ISLAND  
ROBERT LOUIS STEVENSON (1850 - 1894)

Treasure Island is an adventure novel by Scottish author Robert Louis Stevenson, narrating a tale of "buccaneers and buried gold". First published as a book on 23 May 1883, it was originally serialized in the children's magazine *Young Folks* between 1881 and 1882 under the title *Treasure Island or, the mutiny of the Hispaniola* with Stevenson adopting the pseudonym Captain George North.

Traditionally considered a coming-of-age story, *Treasure Island* is a tale noted for its atmosphere, characters and action, and also as a wry commentary on the ambiguity of morality – as seen in Long John Silver – unusual for children's literature. It is one of the most frequently dramatized of all novels. The influence of *Treasure Island* on popular perceptions of pirates is enormous, including such elements as treasure maps marked with an "X", schooners, the Black Spot, tropical islands, and one-legged seamen bearing parrots on their shoulders.
