**American Outlaw: Price of Pride (Volume 1)** Jimmy Maxwell

"**American Outlaw: Price of Pride**" is the first book in a non fictional, series on the life of the modern day outlaw Jimmy Maxwell. This autobiographical volume is uniquely framed around Jimmy's **MSNBC** '**Lockup**' appearance, which not only brings the reader into the high-octane, adrenaline charged, and often thought provoking life of Jimmy Maxwell, but also how it feels to reveal his successes and failures on camera.

American Outlaw is a galvanizing adventure of non-stop pulse-pounding action that will take you on a roller-coaster ride through worlds that most people only see on the big screen.

Peer through the eyes of Jimmy Maxwell as he takes you behind the violent prison walls and to the top of one of Oklahoma's most notorious and feared gangs. Be with him when he finally walks out of those cold institutional gates into the free world for the first time in 16 years! And stand with Jimmy - or against him - as the federal marshals go all out... to get him locked back behind them.

This book contains violence, adult content and language which would not be appropriate for children.
