**Bugs: Tales That Slither, Creep, and Crawl** Gregory L. Norris

34 of today's top voices of terror take on the undulating hoards of a life form that knows no mercy, only the primitive urges to kill, destroy, and feed. They skitter through remote swamps and pine barrens; slither up from the earth and creep through human civilization, determined to conquer our world and others; crawl under and across our flesh, hungry, so very hungry... Bugs! Tales That Slither, Creep, and Crawl features stories from Eric S. Brown, David Bernstein, Lawrence Santoro, Tracy L. Carbone, and others.
