Enoch and Qumran Origins: New Light on a Forgotten Connection Gabriele Boccaccini

The rediscovery of Enochic Judaism as an ancient movement of dissent within Second Temple Judaism, a movement centered on neither temple nor torah, is a major achievement of contemporary research. After being marginalized, ancient Enoch texts have reemerged as a significant component of the Dead Sea Scrolls library unearthed at Qumran.

Enoch and Qumran Origins is the first comprehensive treatment of the complex and forgotten relations between the Qumran community and the Jewish group behind the pseudepigraphal literature of Enoch. The contributors demonstrate that the roots of the Qumran community are to be found in the tradition of the Enoch group rather than that of the Jerusalem priesthood.

Framed by Gabriele Boccaccini's introduction and James Charlesworth's conclusion, this book examines the hypotheses of five particularly eminent scholars, resulting in an engaging and substantive discussion among forty-seven specialists from nine countries. The exceptional array of essays from leading international scholars in Second Temple Judaism and Christian origins makes *Enoch and Qumran Origins* a sine qua non for serious students of this period.

From reader reviews:

Nyla Gomez:

In this 21st century, people become competitive in every way. By being competitive now, people have to do something to make these people survive, being in the middle of typically the crowded place and notice by surrounding. One thing that oftentimes many people have underestimated that for a while is reading. Sure, by reading a e-book your ability to survive raises then having chance to stand up than other is high. For yourself who want to start reading any book, we give you this kind of Enoch and Qumran Origins: New Light on a Forgotten Connection book as basic and daily reading e-book. Why, because this book is more than just a book.

Lillie Moreland:

Nowadays reading books are more than want or need but also work as a life style. This reading routine gives you a lot of advantages. The benefits you get of course the knowledge the particular information inside the book which improves your knowledge and information. The information you get based on what kind of publication you read, if you want have more knowledge just go with education books but if you want feel happy read one together with theme for entertaining such as comic or novel. Typically the Enoch and Qumran Origins: New Light on a Forgotten Connection is kind of publication which is giving the reader erratic experience.

Francis King:

The reason why? Because this Enoch and Qumran Origins: New Light on a Forgotten Connection is an unordinary book that the inside of the reserve waiting for you to snap that but latter it will surprise you with the secret this inside. Reading this book adjacent to it was fantastic author who also wrote the book in such an awesome way makes the content interior easier to understand, entertaining technique but still convey the meaning fully. So, it is good for you for not hesitating having this anymore or you going to regret it. This book will give you a lot of advantages than the other book include such as help improving your talent and your critical thinking method. So, still want to postpone having that book? If I were you I will go to the guide store hurriedly.

Eric Valentine:

Your reading 6th sense will not betray you, why because this Enoch and Qumran Origins: New Light on a Forgotten Connection book written by well-known writer who really knows well how to make book that could be understood by anyone who else reads the book. Written inside good manner for you, still dripping with every idea and publishing skill only for eliminate your own personal hunger then you still skepticism Enoch and Qumran Origins: New Light on a Forgotten Connection as good book not merely by the cover but also with the content. This is one reserve that can break don't determine book by its cover, so do you still needing one more sixth sense to pick this!? Oh come on your studying sixth sense already told you so why

you have to listening to an additional sixth sense.
