London is ready to spend a peaceful holiday at home with her family, but her twin brother Trent has other plans. He invites his teammate, Pratt Montgomery, home for the holidays and London is less than happy about it.

From the moment London met Pratt three years ago, she saw nothing but a beer drinking frat boy and refused to give him the time of day. That's all changing as she sees a side to him she's never seen before.

As much as she needs to stay away, she can't.

As much as she wants to give in, she knows she shouldn't.
