Rugby's Class War - Bans, boot money and parliamentary battles

David Hinchliffe

Rugby's Class War - Bans, boot money and parliamentary battles David Hinchliffe

The untold story of the climax of the historic battle between the two codes of rugby as rugby union finally succumbed to open professionalism in 1995. It is a hard-hitting account of the way bigotry, elitism and hypocrisy underpinning rugby union's attempts to outlaw rugby league were finally challenged and confronted. Written five years on from union's decision to openly pay its players and from league's controversial formation of its Super League, the book analyses the revolutionary changes in both codes and considers the prospects for one united form of rugby. It is essential reading for followers of both codes. The author was the Labour MP for Wakefield from 1987 to 2005, and was one of the founders of the All-Party Parliamentary Rugby League Group. He is a life-long supporter of Wakefield Trinity RLFC.
