She Said Yes! Shawna Jeanne

When Marianne meets Ben, she falls for his flirty personality, but before she can get to know him better, he pulls the old bait and switch routine. He's gay, but he has this hot friend he knows she'd really like to meet. Turns out he's right -- Johnny is hot, and within a few months, Marianne's in a happy relationship with the guy of her dreams.

But Ben and Johnny are best friends, and everything they do is done together -- including dates. Before long, Marianne feels like she's seeing both men, even though she's only sleeping with Johnny. Still, she wouldn't turn down the opportunity to welcome Ben into their bedroom, and she's often wondered what it is exactly the two guys get up to when she isn't around.

She finds out when she comes home late from a business trip and catches Johnny and Ben with their pants down in the basement, watching porn. She overhears Ben ask if Johnny will ever get up the courage to ask her about having a threesome -- Ben and Johnny used to be lovers as well as friends, and Ben misses that. But Johnny's afraid of scaring her away.

Looks like Marianne's going to have to take matters into her own hands.

NOTE: Contains MMF and MFM erotic sexual situations.
