Surviving a Disaster: Evacuation Strategies and Emergency Kits for Staying Alive by Tony Nester (Practical Survival Book 3) Tony Nester

The most effective means of surviving a disaster is to have the essential gear and plans in place beforehand and this comes only from developing a mindset of self-reliance. This book takes you through the mental attitude, scenarios, planning, and gear for overcoming natural and man-made disasters where you are forced to evacuate your home. The author, Tony Nester, is the owner of the Ancient Pathways Survival School in Flagstaff, AZ. His company is the primary provider of desert survival training for the military special operations community and he has served as a consultant for the Travel Channel, NY Times, and Discovery Channel as well as the film Into the Wild.
