## Real Cast Members of Orlando

If that sounds like the title of a reality show, it's because Cami Scovotti's college program at Walt Disney World played out like one. From unstable co-workers to drama queens and jilted suitors, the pixie dust in this story packs a punch.

The "Earning Your Ears" series chronicles the experiences of young people from around the country and around the world who leave home, often for the first time, to live and work in Walt Disney World or Disneyland for several months, or even longer.

Each book in the "EARS" series makes you an honorary cast member as the author takes you behind Disney's pixie dust curtain to learn things the Mouse would prefer you didn't know, and what no guidebook will tell you, including how the theme parks operate from the inside out and what Disney employees do when they're not wishing you a magical day.

In *Cami Earns Her Ears*, former Disney World cast member Cami Scovotti shares:

- How to survive the grueling schedule of a Disney housekeeper (plus guests who die in their rooms)
- How to control thousands of guests during Disney parades without getting punched in the face
- How to handle (lots of!) intense cast member friendships and romances
- How to deal with the Mouse when it turns and bites you in the ass

If you've ever wondered what it would be like not just to visit a Disney theme park but to work in one, the "Earning Your Ears" series is your E-ticket!
