John Gough

Camille Saint-Saëns wrote the famous music about animals. Ogden Nash created witty verses to introduce each movement. But Nash's narration has dated. Here is a new set of verses to introduce Lions, Roosters, Elephants, Tortoises, and the whole menagerie!

John Gough's collection also includes an outline of the origins of the music, Ogden Nash's original verses (from the common domain), and some of the other post-Nash alternatives.
