**Deweese and Saunders' Otolaryngology-Head and Neck Surgery** David E. Schuller, Alexander J. Schleuning, J., II Schleuning

This edition marks the official change of editorship to Schuller and Schleuning, but, as testament to DeWeese and Saunders, their names have been incorporated into the title. Like the prior edition, the eighth provides the basics of otolaryngology - head and neck surgery. The text serves as a foundation for building a solid knowledge of the field through additional study and experience. The comprehensive, yet basic presentation is easily followed by the novice reader, and the major reorganization of the 7th edition facilitates easier use of the text.
