LOOK WHAT YOU MADE ME DO KELVIN F JACKSON A CLASSIC TALE REBORN

Destiny Love and her son Jayonne are thrown into turmoil when a home invasion goes terribly wrong. Caught in the middle of snakes greed and decietful conspiracy, Destiny and her son are forced to go on the run from one of the most notoriously feared gangsters in Brooklyn.

It was 2:30 in the morning and she had finally pacified her two year old son Jayonne to sleep. Musiq Soulchild's CD was spinning on her stereo system and teach me how to love was playing at a low volume. As Dez sat on the side of her bed finishing off the last of her blunt, she heard voices whispering outside of her bedroom window.

She looked over at Jayonne sleeping quietly in his crib as she put out her blunt, reached over and grabbed the AK47 propped on the wall next to her bed. She knew the day that she unwillingly inherited her cousin Hova's enterprise that this day would soon come. She grabbed the remote and turned up the stereo.

When she turned off the light in the bedroom she sat on the floor next to the bed facing the bedroom door and braced the stock of the assault rifle against the wall to cushion the recoil. It had been three months since the Feds had arrested Hova and left her holding 3 kilo's and \$47,000 in her house where he kept his stash. Dez was well known as Hova's favorite Cousin and felt obligated to hold him down because he'd done so much for her and Jayonne.

Mainly moving her out of the hood

. Well now the hood had come to her safe haven and it was time to teach motherfuckers a lesson. Don't Fuck with Destiny! Dez figured that they'd probably got into the front door easily enough because she always kept it unlocked when she was home. She felt that if you couldn't feel safe at home, you couldn't feel safe anywhere. The two masked gunmen approaching her bedroom door were caught off guard by the music and too stupid to realize there was something strange about the front door being unlocked.

"I didn't hear music when we passed by the window, but I did smell weed smoke. You think she is in there getting some dick?" questioned BG.

"I don't know but I'd like to fuck that fine ass bitch! After we take her money, I might take that pussy too!" said Jake.

"But what if she is in there with somebody?"

"Then we'll just have to smoke whoever the fuck it is!"

As they made their way to the bedroom door the light in the hallway alerted Dez to exactly how close they were to the door by the shadows of their feet. Her heart hammered in her chest as she loaded a round into the chamber anticipating her bedroom door being kicked in. As her eyes narrowed in anger she was

thinking these bastards want to violate my home and threaten me and my baby's life? Time for them to die! She looked over at Jayonne sleeping in his crib and said "mommy loves you" as the bedroom door came crashing in.

TEACH ME HOW TO LOVE show me the way to surrender my heart-Girl I'm So lost-Blared on the stereo.

The light from the hallway filled one side of the room, but Destiny was off to the side of the empty bed in the shadows unseen. They stood with guns pointed at the empty bed confused looking like target practice dummies. Destiny pulled the trigger and the small room turned into Vietnam.

"Brrrraat! Braat! Brrrraat!" screamed the chopper ripping both men literally in half with two sweeps.

The shorter of the two went the quickest and was dead before he hit the ground. As he lay on the carpeted floor his eyes were stuck open from shock beneath the black ski mask. There were large smoking

holes and splattered blood stains on the wall where BG had been standing. As Dez slowly walked forward and stood over BG holding the assault rifle pointed at his head, she noticed his eyes were still open. She removed the .380 from her double D honey complexion tits and put 2 slugs between his eyes.
