"¡Mamá te quiero mucho!", the bilingual book in English and Spanish is based on a song by "Music With Sara". Writer Sara Quintanar teamed up with Raquel Martinez to bring the song to life in a children's book format. This is the first of many bilingual digital books to be released by Music With Sara. The song was written in 2010 with the help of Sara's first Dual Language Immersion Spanish students. The children, along with the teachers shared ideas and phrases about their mothers for Mother's Day. Those words and ideas inspired Sara to write a song for these children to share with their mothers, and the important women in their lives.

Sara and Raquel are committed to bringing diversity to children's books. Making simple bilingual books accessible that have quality illustrations is their goal.

This is great for anyone looking for the perfect Bilingual Children's book, or those studying Bilingual Education who need simple resources for students. The book is appropriate for toddlers, babies, and children of all ages. It is the perfect resource for a Spanish language learner, or an English language learner.
