Micro (en español) (Spanish Edition)

Michael Crichton

Micro (en español) (Spanish Edition) Michael Crichton

En *Parque Jurásico* Michael Crichton nos enseñó un nuevo mundo terrorífico. En *Micro* nos descubre un universo demasiado minúsculo para verlo, pero demasiado peligroso para ignorarlo.

En la densa selva de Oahu, Hawai, un grupo de científicos de los laboratorios Nanigen MicroTechnologies se dedica a estudiar las drogas naturales presentes en trillones de microorganismos y miles de bacterias con la intención de aprovechar todas las aplicaciones comerciales posibles. Con este fin, Nanigen ficha a siete estudiantes posgraduados para trabajar en sus laboratorios de Hawai. Allí participarán en descubrimientos microbiológicos que jamás hubieran podido siquiera imaginar. Pero una vez en la selva de Oahu, los siete se encontrarán inmersos en un mundo hostil tan peligroso como sorprendente. El único recurso que podrán utilizar será sus conocimientos especializados, que les ayudarán a encauzar las fuerzas de la propia naturaleza.

Una novela sensacional, terminada por el prestigioso escritor científico Richard Preston, *Micro* es un apasionante thriller sobre el fascinante futuro de la microbiología.
