Good news for the needy. Bad news for the power brokers. Jesus came into the world announcing a new order where Satan is overthrown and broken relationships are restored. Jesus' most vivid portraits of this new kingdom are found in the parables. David Wenham explores the splendor and subtleties of Jesus' world-changing message, offering a nontechnical but comprehensive look at dozens of Jesus' stories. Bringing them to life by explaining their first-century religious and social setting, Wenham never fails to illuminate their significance for today.
