There is NOT ONE DROP OF BLOOD or anything gory about the pictures of Michael Jackson during his hospital stay

as he was being treated for the small burn on the top of his scalp. In fact, not even his mother would be able to recognize

MJ in any of the pictures because only the very crown of the head is shown and the face is not only pointed down, its

out of the picture totally. Why would hundreds of reporters and online "news" reports emphatically report to you the public

that the pictures taken and now being offered at auction are BLOODY, GORY, "DEMEANING TO MJ, His Family & Children?"

Why would the so-called "respected" media, especially one like Black Entertainment Television" & The New York Times

copy-and-paste lies, spread false-quotes and without even making contact to verify or correct fake-quotes or the facts

themselves? Why? MONEY...THATS WHY! But not money to you, more money to them! How? What is the Truth? What

do the pictures of Michael Jackson really look like? ALL THOSE QUESTIONS ARE ANSWERED WITHIN THIS BOOK....

and see the REAL pictures and his REAL MEDICAL RECORDS here for yourself! This is the ACTUAL FIRST TIME

EVER CORRECTLY & LEGALLY SHOWN. NEVER BEFORE HAS THE REAL PICS & TRUTH BEEN TOLD...TIL NOW!
