From the CIA To Easy Street-Part 2 Patricia Black

Patricia Whitright Black's "From the CIA to Easy Street-Part 2" sequel is a difficult book to put down. There is no plot as such. It withstands interruptions without losing mesmerizing magnetism for its thrills...sometimes stark terror. Pati and "Spouse" began travel plans most retirees dream of. Theirs includes wonderful surprises. Murphy's Law, Mother Nature, and glitches turn the course of events into an enigma. They encounter fun, heartaches, and catastrophes. You'll smile laugh out loud, shed tears, or puzzle about how they survived the disasters. Their menagerie is real except for Pati's imaginary "Mouse", who is dying to show you his dashing, brand new, hand tooled, genuine leather, Florida "Cracker" boots. The book includes lots of cartoon illustrations. Enjoy!
