Sin Fidel: Los ultimos anos de Fidel Castro, sus enemigos y el futuro de Cuba (Spanish Edition) Ann Louise Bardach

Un esclarecedor relato del último capítulo de la vida de Fidel Castro: su cercano encuentro con la muerte en 2006, sus enemigos y la planeada sucesión de su hermano Raúl.

Desde 1959, Fidel Castro ha presidido uno de los más controversiales y combativos gobiernos del mundo, enfrentando a los Estados Unidos y afincado en el centro de una cultura dividida entre dos ciudades: Miami y La Habana. A partir de casi dos décadas de periodismo en profundidad y de incontables entrevistas con los protagonistas, Ann Louise Bardach ofrece en este fascinante libro una crónica deslumbrante sobre la confrontación política entre los Estados Unidos y Cuba, donde figuran tanto los hermanos Castro y otros miembros de la familia, como cubanos corrientes y oficiales y políticos en Miami, La Habana y Washington. El resultado es un doble retrato inolvidable del clima político de la isla más importante del Caribe: una investigación clave sobre su presente y su futuro tras medio siglo de dictadura, división y conflicto.

Uno de los mejores libros del año de *The Miami Herald*
