**The Mountain Trail Tales of Colorado and Montana: Searching for Lao Tzu Chronicles** Grant Peakes Carson posed this mystifying question to family and friends, "What on earth were our parents thinking, letting three 13 year old boys head off into the Colorado backcountry wilderness like that?" What would prompt parents to turn three 13 year olds loose for a journey across the West Elk Wilderness Area of Colorado? They were on the trail in the backcountry of Colorado for 3 days and nights, setting up camps managing campfires, wilderness trails, worrying about bears and being lost. Grant Peakes brings trail adventures to life from childhood experiences and adult treks in the back country. They span the Rocky Mountains from Colorado to Montana, blending the insights of the Tao into the trail-mix.
